Dear HR Manager,

Warm Greetings !!!

I am **Nishanth**, a recent graduate from the ***Technical University of Munich, Germany***. This letter is to express my interest in your job opening for Senior Software Engineer. With a Bachelor's degree in Computer Science and Engineering, Master's degree in Informatics, and an experience of a little over 3 yrs in Telecommunication / Networking domain and 1 yr of Research and Development (C / C++) experience from Germany, I am confident that I will be an asset to your organization.

I enjoy taking on responsibilities to work on challenging projects that require me to work outside my comfort and knowledge set. I am a highly self-motivated individual with an interest for developing innovative software products and thereby contribute to the success of your organization.

Please have a look at my resume with the details of my skills, projects and experiences in software development and research.

Thank you for your time and consideration. I look forward to speaking with you about this opportunity.

Best Regards,
Nishanth Nagendra
